BHANU SHANKAR M

UI DEVELOPER

+91 7286837602 • Hyderabad, Telangana • bhanushankar-portfolio.netlify.app • bhanushankar476@gmail.com

PROFESSIONAL SUMMARY

Creative and detail-oriented UI Developer with 5 years of professional experience, including 2 years of hands-on expertise in React.js. Proficient in crafting seamless user interfaces and responsive web applications. Strong background in UX design, with experience using tools like Figma and Adobe XD to translate business requirements into intuitive design prototypes. Adept at collaborating with cross-functional teams and ensuring pixel-perfect implementation of modern UI/UX principles.

WORK EXPERIENCE

AMZUR INFOTECH PVT LTD

UI Developer   01 Apr 2023 – Present

- Built interactive, scalable web apps using React.js, Tailwind CSS, and JavaScript.
- Integrated UX designs from Figma and Adobe XD into production-ready UI components.
- Enhanced application performance with code splitting, lazy loading, and accessibility practices.
- Worked closely with product, design, and QA teams to deliver high-quality releases.

AMZUR INFOTECH PVT LTD

Jr. Software Engineer   04 Nov 2019 – 31 Mar 2023

- Developed and maintained responsive UIs using HTML5, CSS3, Bootstrap, and JavaScript.
- Migrated several legacy modules into React.js components with modern styling and state logic.
- Supported UX design efforts by converting Figma mockups into functional layouts.
- Participated in Agile ceremonies including stand-ups, sprint planning, and retrospectives.
